| F | Dm | C  
| F | Am | Dm | C  
| F | Dm | C  
| F | Dm | C

### [Verse 1]

F Dm  
When I look into your eyes  
C  
I can see a love restrained  
F Dm  
But darling when I hold you  
C  
Don't you know I feel the same  
Dm G  
'Cause nothin' lasts forever  
C  
And we both know hearts can change  
Dm G  
And it's hard to hold a candle  
C  
In the cold November rain

### [Verse 2]

F Dm  
We've been through this such a long, long time  
C  
Just tryin' to kill the pain, oh yeah  
F  
But lovers always come and lovers always go  
Dm C  
And no one's really sure who's lettin' go today, walkin' away  
F  
If we could take the time to lay it on the line  
Dm  
I could rest my head  
C  
Just knowin' that you were mine, all mine  
Dm G  
So if you want to love me  
C  
Then darlin' don't refrain  
Dm G  
Or I'll just end up walkin'  
C  
In the cold November rain

### [Chorus]

F G  
Do you need some time on your own?  
F G  
Do you need some time all alone?  
F G  
Everybody needs some time on their own  
F G  
Don't you know you need some time all alone

### [Bridge]

Em F C  
I know it's hard to keep an open heart  
Em F Dm  
When even friends seem out to harm you  
Em F C  
But if you could heal a broken heart  
Em F G  
Wouldn't time be out to charm you

### [Solo 1]

| F | Dm | C | C | (x2)

| Dm | G | C | C | (x2)

[Chorus]

Sometimes I need some time on my own  
Sometimes I need some time all alone  
Everybody needs some time on their own  
Don't you know you need some time all alone

[Solo 2]

| F | Dm | C | C | (x2)

[Verse 3]

And when your fears subside  
And shadows still remain, oh yeah  
I know that you can love me  
When there's no one left to blame  
So never mind the darkness  
We still can find a way  
'Cause nothin' lasts forever  
Even cold November rain

[Outro]

| C G/B | Am G | F | G |  
| C G/B | Am G | F | G | C

| C5 | Ab Bb | C5 | Ab Bb | (x2)

| Cm G | F Eb | Ab Bb | C5 | C5 | (x4)

Don't you think that you need somebody  
Don't you think that you need someone  
Everybody needs somebody. You're not the only one. You're not the only one.

So, so you think you can tell,
                Am/E                G
Heaven from Hell, blue skies from pain.
                D/F#                C                Am
Can you tell a green field from a cold steel rail, a smile from a veil,
                G
Do you think you can tell?

```

## [Verse 2]

                C                D/F#

                Am/E                G                D/F#
Hot ashes for trees, hot air for a cool breeze, cold comfort for change,
                C                Am                G
And did you exchange a walk on part in the war for a lead role in a cage?

How I wish, how I wish you were here.
                Am/E                G
We're just two lost souls swimming in a fish bowl, year after year,
D/F#                C
Running over the same old ground. What have we found?
                Am                G
The same old fears. Wish you were here!
