Turned on some music to start my day

Magische Erregung faehrt im ins Gebein.

Komm und heile meine Wunden!
Sie sprach: Ich bin Laila, die Koenigin der Nacht!

Metallica - Whiskey In The Jar

[Intro]

| Em | Em | G | G | x2

[Verse]

As I was going over - The Cork and Kerry Mountains
I saw Captain Farrell - And his money he was counting
I first produced my pistol - And then produced my rapier
I said "Stand and deliver - Or the devil he may take ya"
| Em | Em | G | G | x2

I took all of his money - And it was a pretty penny
I took all of his money - Yeah, and I brought it home to Molly
She swore that she loved me - No, never would she leave me
But the devil take that woman - Yeah, for you know she tricked me
easy

[Chorus]

Musha rain dum-a-do dum-a-da
Whack for my daddy-o
Whack for my daddy-o
There's whiskey in the jar-o
| Em | Em | G | G | x2

[Verse]

Being drunk and weary - I went to Molly's chamber
Taking Molly with me - But I never knew the danger
For about six or maybe seven - Yeah, in walked Captain Farrell
I jumped up, fired my pistols - And I shot him with both barrels

[Chorus]

Musha rain dum-a-do dum-a-da
Whack for my daddy-o
Whack for my daddy-o
There's whiskey in the jar-o

 But here I am in prison - Here I am with a ball and chain, yeah

Michael, George - Faith

(capo 2nd fret)

[Verse]

Well I guess it would be nice^A if I could touch your body^A
I know not everybody has got a body like you^D
But I've got to think twice before I give my heart away^A
And I know all the games you play because I play them too^D

[Pre-chorus]

Oh, but I need some time off from that emotion^D
Time to pick my heart up off the floor^A
Oh when that love comes down without devotion^D
Well it takes a strong man baby but I'm showing you the door^{Bm}

[Chorus]

'Cause I gotta have faith, I gotta have faith^A
Because I gotta have faith, faith, faith
I gotta have faith, faith, a-faith ah

[Verse]

BABY, I know you're asking me to stay^A
Say please, please, please don't go away^D
You say I'm giving you the blues^A
MAYBE, you mean every word you say^A
Can't help but think of yesterday^D
And another who tied, me, down, to, lover boy rules^A

[Pre-chorus]

Before this river becomes an ocean^D
Before you throw my heart back on the floor^A
Oh-baby-I reconsider my foolish notion^D
Well I need someone to hold me but I'll wait for something more^{Bm}

[Chorus]

Yes I gotta have faith, I gotta have faith^A
Because I gotta have faith, faith, faith
I gotta have faith, faith, a-faith ah

[Solo]

A D A I just have to wait, because I got to have
A D A faith, faith, I got to, got to, got to have faith

[Pre-chorus]

Before this river becomes an ocean^D
Before you throw my heart back on the floor (I - just - got - to have faith)^A

I come from down in the valley Where mister, when you're young

They bring you up to do like your daddy done
C G D Em
Me and Mary we met in high school When she was just seventeen

We'd drive out of this valley down to where the fields were green

Oh down to the river we'd ride

[Verse]

Em G C G
And for my 19th birthday I got a union card and a wedding coat

We went down to the courthouse And the judge put it all to rest

No wedding day smiles, no walk down the aisle

[Verse]

Em G D C
I got a job working construction for the Johnstown Company
Em G C G

But lately there ain't been much work on account of the economy
 Now all them things that seemed so important
 Well mister they vanished right into the air
 Now I just act like I don't remember Mary acts like she don't care

[Bridge]

But I remember us riding in my brother's car Her body tan and wet
 down at the reservoir At night on them banks I'd lie awake
 And pull her close just to feel each breath she'd take
 Now those memories come back to haunt me
 They haunt me like a curse
 Is a dream a lie if it don't come true Or is it something worse

[Chorus]

That sends me down to the river Though I know the river is dry
 That sends me down to the river tonight
 Down to the river my baby and I
 Oh down to the river we ride Ooh...

White Stripes, The - Seven Nation Army

[Verse 1]

I'm gonna fight 'em off
A seven nation army couldn't hold me back
They're gonna rip it off
Taking their time right behind my back
And I'm talking to myself at night
Because I can't forget
Back and forth through my mind
Behind a cigarette
And a message coming from my eyes says leave it alone

[Instrumental Chorus]

[Interlude]

Em G C B x4

[Verse 2]

Don't wanna hear about it
Every single one's got a story to tell
Everyone knows about it
From the Queen of England to the hounds of Hell
And if I catch it coming back my way
I'm gonna serve it to you
And that ain't what you want to hear
But that's what I'll do
And a feeling coming from my bones says find a home

[Verse 3]

I'm goin' to Wichita
Far from this opera, forever more
I'm gonna work the straw
Make the sweat drip out of every pore
And I'm bleeding and I'm bleeding and I'm bleeding
Right before the Lord
All the words are gonna bleed from me
And I will sing no more
And the stains coming from my blood tell me go back home
